

# GRAVITY™

## Gel Screen Cleaner

**GRAVITY™** Gel Screen Cleaner is specifically formulated for all types of electronic displays and is safe for use on delicate coatings, including oleophobic, hydrophobic, and anti-reflective films. Our patent pending gel-based formulation literally defies gravity and allows adherence to slippery display surfaces without run off or dripping for maximal cleansing efficacy.

**GRAVITY™** Gel Screen Cleaner is alcohol and ammonia free, with anti-static and anti-fingerprint properties that help keep dust and fingerprints off even after cleaning.
